

Giving at New City School

Thank you for your interest in supporting New City School! As an independent school, New City School is able to develop a program free from the public mandates for curriculum and testing. Consequently, we are also independent of government funding. We rely on tuition and donated dollars to ensure that our program continues to provide the best education possible for students age 3 to 6th grade.

Through the generosity of our current and past parents, grandparents, alumni and friends, New City School is able to support annual operating needs as well as continue to upgrade School facilities and fund a strong financial aid program.

There are many ways to give to New City:

ANNUAL GIVING

One of our most important traditions is our Annual Giving Campaign. Like most independent schools, tuition covers most of the essentials in educating our children, but our Annual Giving Fund provides the resources needed to meet our operating budget, while continuing to provide the highest level of academics and enrichment programs, equip our classrooms with technology and innovative educational aids, and hire and retain the best teachers.

The Annual Giving Fund also offers the important dividend of enabling us to give more in financial aid, allowing us to create a richly diverse learning community, inclusive of students from all economic levels.

Every gift makes a positive impact on our students and school. While the amount of money raised is critical, so too is the level of participation. We encourage all of our families to make a gift to the Annual Giving Campaign and make New City School a philanthropic priority.

MY BROTHER'S KEEPER FUND

Giving to this fund will provide financial assistance to African American students. We believe that diversity is more than a number. Children are taught and encouraged to respect all children and their families and to really celebrate the differences that enrich and enhance our community. Every day, classroom work is done in teams - again to teach children how to collaborate and recognize the differences, strengths and weaknesses in each student.

PLANNED GIVING

Planned gifts take a longer term view. Planned gifts range from life-income gifts, to bequests, to creative arrangements using retirement plan benefits. Some people choose to make either an outright or deferred gift of assets such as stocks, bonds, and property. Making a planned gift may allow you to give more than you ever thought possible and, at the same time, benefit from tax advantages or income for a term of years or life.

EVENTS

Advancement events are a great way to raise funds for the school while having a great time! Each year New City School hosts a Trivia Night, Auction, and a wide range of other smaller events in support of the school. For more information about upcoming events, contact our Advancement Office at tfleck@newcityschool.org.

MATCHING GIFTS

Matching Gifts are offered by many employers. Some even double or triple employees' charitable contributions. Please contact your employer's human resources department to see if your company participates in a matching gift program.

SCHNUCKS ESCRIPT

New City School participates in the Schnuck's Markets eScrip Program. Each time you swipe your card, New City receives 1% of the amount you spend. You can sign up for a Schnucks eScrip Community Card by stopping in the New City School Advancement Office or at any participating Schnucks store. Your new card may be activated by calling 1-800-931-6258 or online at www.escrip.com/schnucks.jsp. Be sure to indicate that you want your card to support New City School.

AMAZON SMILE

Amazon will donate 0.5% of the price of your eligible purchases to New City whenever you shop on AmazonSmile. Simply go to www.amazonsmile.com and indicate that New City School is your philanthropy of choice.

Thank you for supporting New City School!
